

## EXTRA SATURDAY'S FOR PHOTO ID

- From November 2011 through March 2012, Driver Service Centers in 15 counties will be open from 8:30 a.m. - 5:00 p.m. on the first Saturday of each month for voter photo IDs only. No other business will be conducted during these special hours of service. The counties with Saturday Driver Service Center hours include Shelby, Davidson, Hamilton, Knox, Sullivan, Sumner, Rutherford, Washington, Williamson, Montgomery, Blount, Bradley, Putnam, Greene, and Carter.
- Under the new voter ID law, in order to get a photo ID for voting purposes, voters must show the following documentation to a Driver Service Center examiner:
  - Proof of citizenship (such as a birth certificate); and
  - Two proofs of Tennessee residency (such as a copy of a utility bill, vehicle registration/title, or bank statement).
- It is very important to bring these documents to the Driver Service Center. Under the law, the Department of Safety and Homeland Security cannot issue a photo ID without each of these required items. (If you do not have a birth certificate, ask to speak to a Driver Service Center manager who will work with you to identify possible other documentation to prove citizenship).
- For a photo ID, each applicant must also sign an affidavit under penalty of perjury stating that he or she does not have a valid government-issued photo ID for voting purposes
